Description

The house is impressive and with luxurious finishes, everything is made new. Great design.

A few steps from the boulevard and the Yacht Club.

It takes place on three levels.

On the access floor we find a large garden at the entrance, living room, dining room and large kitchen, guest bathroom, desk (with separate entrance) and service bedroom and bathroom. In turn we have a balcony that overlooks the back of the house and a laundry space.

On the upper floor is the intimate area of the bedrooms, going up the stairs we access a large living room that the bedrooms share. We have a master suite with a huge bathroom with Jacuzzi and its own dressing room. Then, we have two more rooms that share another large bathroom with a Scottish shower and Jacuzzi. The rooms have a balcony facing the front of the house.

On the ground floor that overlooks the back garden we find a barbecue with a full kitchen, a closed stainless steel barbecue, a storage room, a large barbecue space and a complete bathroom. On this floor there is also the closed garage space for 2 cars (and 2 more can be stored also outdoors). Going to the bottom we find a large garden with a huge pool and another barbecue but semi-outdoor (which also has a counter and kitchen sink).

The house has heating from gas-heated water radiators (pipe gas installation throughout the house) and air conditioning also in all rooms.
