Description

Studio apartment one block from 18 de Julio Avenue, close to several faculties and services in the southern cordon area.

This apartment begins its construction in the middle of this year by LGD, an architectural firm present since 1998, with more than 320 projects executed in much of Latin America.

Masmio is the third project of four in this line, in conjunction with Masmio Avenida, Masmio Plaza, Masmio Design and it will have a total of 7,500 m2 developed in 110 Studio-type units (single room), 1 bedroom, 2 bedrooms and Amenities.

This specific apartment is developed on one floor with a total of 31.75 m2 (23 m2 built and 2 m2 of terrace + walls, ducts and common areas) facing the quiet part of the building and on the 10th floor in Guayabos, which includes:

- Integrated bedroom space - living room and kitchen.
- A full bathroom.
- 2 m2 terrace.

The units are delivered with cooktop and hood, bar, low and countertop cabinets.

The garages are sold separately with prices starting at US\$18,800.
