Description

I am selling a 3-bedroom house 5 blocks from the sea. It is a very comfortable PH, with a living room and integrated kitchen with a wood stove, a small desk space and on the upper floor 3 bedrooms, the main one being en-suite with a dressing room. In the background we find a covered and closed barbecue area with laundry space and a multipurpose dome that is used for yoga, a reading room, or an extra room. It is an excellent opportunity to own a house near the sea in a neighborhood with shops, a sports club, public transportation, a public school and all the services that Maldonado offers with very low expenses and steps from the sea.
