Description

This 2-bedroom apartment in Buceo is ideal for those looking for a modern, functional apartment, with traditional materials, a defined kitchen, terrace, excellent sunlight and a more than convenient price.

The building is located south of the intersection of Av. Italia and Bvar. José Batlle y Ordóñez, at a point with great demand for connectivity with the rest of the city and proximity to services.

THE UNITS are semi-equipped, with low and countertop kitchen furniture, electric stove and built-in oven, stainless steel sink, air conditioning installed in the living room and provision for the same in the bedrooms. Top quality openings with DVH glass, porcelain and vinyl floors in high-traffic wood-like slats.

THE STRUCTURE OF THE BUILDING is made of reinforced concrete, the exterior walls are made of autoclave-cured cellular concrete blocks with great thermal insulation and the interior is made of traditional masonry, plastered and painted. Ceilings with facerit finish. White slab sanitary fixtures and chrome single-lever taps. All installations, both internal and general in the building, will be carried out in accordance with current standards.

THE AMENITIES on the top level consist of a barbecue with grill and large terrace, solarium, bathroom, equipped collective laundry room and clothesline. State-of-the-art elevator, silent, optimizes energy consumption and with access from underground and to the barbecue and terrace level. Large hall equipped and with universal accessibility. Modern electric intercom and vehicular access with remote control. Perimeter fence in front with electric fence.
