Description

Located in one of the most exclusive points of the Uruguayan Atlantic coast, the Punta Ballena mountain range offers a characteristic peninsula for its cliffs, views, marine fauna and sunset. The view of the bay of Punta del Este and Portezuelo, visible from the panoramic route that emerges above the mountains, makes this place an attractive environment to enjoy the sunset. To the west are the beaches of Portezuelo and Solanas, famous for their calm waters, large stretches of fine sand and their small natural port. A unique environment near the spectacular city of Punta del Este, but secluded in a prominent and distanced point where relaxation and comfort are a priority. All of its available 1-bedroom units open onto these large garden terraces with views of the Esteña Bay and others with views of the Loma de la Ballena, where one can relax, sunbathe or have a barbecue with friends thanks to the fact that each home has with your own grill.
