Description

We present this spacious, modern and comfortable house in Jardines de Córdoba, steps from the most prestigious schools in Punta del Este. Surrounded by a perimeter fence with an electric gate, we enter a beautiful garden where the heated pool is the central attraction. Next to it is a comfortable room with a covered barbecue. In front we find the covered gallery, a comfortable place to enjoy the view of the garden and the large living room with a high-performance stove. The kitchen is integrated into the dining room and has access to the laundry room and garage. On the ground floor we also find a social bathroom and the master suite with a very large dressing room and bathroom. On the upper floor there are two comfortable rooms with single beds that share a full bathroom and another bedroom with a double bed, dressing room and en-suite bathroom.
