Description

I LIVED or INVESTED IN A MODERN 1 BEDROOM APARTMENT IN AGUADA!

With estimated delivery for October 2024 and the possibility of acquiring it through a bank loan.

This development is located in an area of great potential due to its connectivity, its services and its proximity to green spaces and iconic points of the city. A neighborhood in full transformation that looks confidently toward the future and is consolidating itself as a new focus for real estate developments.

The building joins this process of urban and social reconversion by combining design, security, construction technology and environmental awareness.

The project makes the most of the orientation to achieve greater comfort and energy savings

The amenities generate comfort without burdening common expenses. Gym, SUM, playroom, laundry and tender, cowork and solarium.

The circuit of squares created in recent years and the appearance of avant-garde architectural projects demonstrate the revaluation that a thriving neighborhood is experiencing.

UNIT 908 is located on the ninth floor and has an interior layout.

It consists of a living-dining room with an integrated kitchen, 1 bedroom, a full bathroom and a small terrace.
