## Description

Pre-Release Exclusive! Prices in Well

Discover this beautiful project in La Barra, where tranquility merges with comfort. Far from the urban bustle and surrounded by nature, this development offers a serene and pleasant life.

The project consists of 10 charming 2 and 3 bedroom houses, designed to provide comfort and quality of life. With dimensions ranging from 112 square meters, these houses offer generous space to enjoy with family or friends.

The houses are prepared to be inhabited throughout the year, with traditional construction that guarantees durability and resistance. In addition, they have double glass for optimal acoustic and thermal insulation, a high-performance stove for cool days and pre-installation of air conditioning for the hottest days.

Don't miss the opportunity to be part of this exclusive project at introductory prices starting at USD 225,000. Live the life you always dreamed of in a natural and quiet environment, Contact us today for more details and reserve your new home!
